DAPHNE JANSEN

To see the world in a grain of sand and heaven in a wild flower. Hold infinity in the palm of your hand and eternity into an hour. William Blake
Daphne Jansen, 1960 (graduation KABK 1991) makes mostly big sized canvasses with acrylic paint. She is inspired by the nature around her studio and by the silent space between things. A sense of wonder inspires her to capture the brilliance of that what she sees around her, into paint. Daphne Jansen lives and works in The Hague and is represented by gallery De Twee Pauwen in The Hague. Her paintings are sold in the Netherlands and abroad. You are warmly welcome in the gallery- or for a studio visit on appointment. .
