## RINEKE KOP

painting is taking steps back and forth again, taking the liberty to color and only knowing if it is good if the color looks at me.

Rineke Kop: Keyword:acrylic/layering/lyrical-abstract/color/sensitivity/energy. Rineke Kop uses acrylic paint, layer over layer. She is inspired by the material, paint with which she speaks, as it were. Layering plays a central role in her paintings. Thin layers cover thick under layers constructed as a skin, which responds to influences from inside and outside. Layers that exchange, hide and communicate with each other. And finally settle on the canvas...
