## PIM PIËT

### Visual poetry

Pim Piët: "In mijn recente schilderijen is de taal (het woord) onderdeel geworden van het schilderen, zoals ook kleur, vorm, structuur en compositie. De taal maakt deel uit van het schilderproces. De schilderijen zijn een zoektocht naar een vorm van visuele poëzie en bespiegeling, waarbij ik uitga van een bepaald idee en het schilderij zich vanaf dat punt ontwikkelt. Doordat de taal consequent in het werk aanwezig is, zijn de letter (woorden) zowel 'taal' als beeld en spelen zo een dubbelrol in het werk. Het 'woord' is taal en beeld ineen en creëert daarmee een 'nieuwe' vorm in ons bewustzijn". De laatste jaren ontstaan er samenwerkingsprojecten met o.a. Anna Mikhailova. Waarbij o.a. 'Sound' onderdeel wordt van het werk en er meer installatieachtige werken / projecten ontstaan. (zie website)

## COLLABORATION

o.a. Anna Mikhailova/Jerzy Bielski/Shi Yee Jin/Robert Coleman
