EXHIBITIONS

2019 Noiserr: The Performance Edition
Butcher's Tears Amsterdam, Netherlands
Vot'ress are Robin JM Vanderheyden and
Puck Schot. Together they experiment with
synthesis and modulation, creating
ambient soundscapes and distortion,
layered with spoken word and found-
footage. Their performance loosely
embraces Shakespeare's 'A Midsummer
Night's Dream', and the role of Robin
"Puck" Goodfellow; a demonic, mischievous
sprite. Themes involve loss of identity,
fecundity and elvish tricks as they explore
elements of literary sadism.

tube pornography. What determines porn's value to society? What are the most searched for terms? Can porn temporarily replace intimacy? Let us take you for an abstracted ride through the depiction of erotics. RJM Vanderheyden will be scoring 1989 pornographic film 'On the Prowl' by Jamie Gillis. This film and its continuing series are claimed to be the first ever "gonzo" porn and attempts to combine acts between professional actors and amateurs. In this film, men on the streets are approached by Gillis and are asked to have sex (for free) with a professional pornographic actress or escort. This first film was shot in one night, as a limousine glides through the dark streets of San Francisco: a series of inventive and unconventional sexual interactions are captured, though they do not look entirely successful.

		2019	Radio with RJM Vanderheyden No Hay Banda RJM Vanderheyden Rotterdam, Netherlands nohaybanda.net Audio cassette, Contes Immoraux alternative soundtrack/mixtape. 'La Marée' and 'Erzsébet Báthory' are two of the four short films that make up Contes Immoraux by Walerian Borowczyk (1973); a display of sexual transgression throughout the ages told in reverse order. 'La Marée' shows an unusual scene of fellatio where a boy coerces his cousin into blowing him on the rhythm of the incoming tide. 'Erzsébet Báthory' features Paloma Picasso as the Hungarian countess who murders young girls in order to gain eternal youth by bathing in their blood.
