ALICE WEST

As artists, we play a big role in society by documenting the world that we live in.

Alice West's paintings capture the essence of her subjects: their hopes, fears, joys, and struggles. The artist sees portraiture as a medium able to encompass the beauty and complexities of the human experience and offer a sense of connection and understanding to the viewers. In her works, Alice incorporates visual patterns as a way to add layers of meaning and symbolism, inviting the audience to delve deeper into the narrative of each piece. By weaving together elements of portraiture, visual patterns, storytelling, and humour, she creates works that are simultaneously deeply personal and universally resonant.

EXHIBITIONS

2024 After Glow Heden The Hague, Netherlands Heden /Today and Bermuda Open Studios present NIGHTSHIFT together. In this exciting exhibition we show you the different faces of nightlife: from collective party event to individual identity-forming moment. But also as a sanctuary for the exceptional, bizarre and 'unheimliche', where every subculture can manifest itself without limits. www.heden.nl/Group
